## Call for Board Nominations 2016 Association Montessori Internationale

---

As a member of the Association Montessori Internationale, you will be aware that AMI is governed by an international Board, nominated by its members. The Board plays an important role in the strategic direction of the Association.

This year the Board is hoping to increase its number from seven members to nine and is therefore seeking nominations for an additional two positions.

Due to the current composition of the Board, one position needs to be filled by an AMI diploma holder (By-law 3b).

Each nomination shall be supported by at least one legal body (i.e. Affiliated Society or Training Centre), or two Board members, or 25 individual members (By-law 3f).

The Board is hoping to augment its current expertise and geographical representation and is open to receiving nominations from candidates with a wide variety of backgrounds and skill sets.

Please find a short introduction to our current AMI Board members on our [website](#).

Candidates should also be able to demonstrate commitment to the work of AMI or other educational or humanitarian organisations.

The position profile and nomination forms can be downloaded from the links provided at the bottom of this newsletter. We hope that you may know of someone to nominate, whom you feel would be a valuable addition to the Board.

Nominations are to be marked *for the attention of the Nominating Committee* and need to be received by: Monday, 15 February, 2016 at [office@montessori-ami.org](mailto:office@montessori-ami.org)

We look forward to hearing from you.
