AMI
EAA

Join the **AMI Elementary Alumni Association** for our annual summer gathering. Come to be refreshed, gain inspiration, and connect with our vibrant community!

We're heading to the coast!

AMI-EAA Summer Conference

July 20 - 25, 2020

Burton 4-H Center

Tybee Island, Georgia

The easternmost point in Georgia, Tybee Island is a barrier island located 18 miles east of Savannah. Tybee Island is known for its wide sandy beaches on the eastern shore and a tidal salt marsh on its western shore, both walking distance from the Burton 4-H Center. Join us at this picturesque location for a week of relaxing, sharing, and fellowship with your EAA community!

Calling all elementary presenters!

We are seeking EAA members to present at the 2020 Summer Conference. Is there an aspect of Cosmic Education that you are especially passionate about? Have you been wanting to share your specialty with other AMI Elementary teachers? This is the perfect opportunity to hone your presentation skills and contribute something truly meaningful to our EAA community, while in a relaxed and beautiful setting!

Submit your presentation proposal form to
events@ami-eaa.org

AMI-EAA Summer Conference Presentation Proposal Form

Name(s): _____ Date: _____

Topic: _____

Working Title: _____

1. Describe your presentation in detail, including the philosophical and practical issues that you would like to address.

2. How does this topic relate to CosmicEducation?

3. What is the format of the presentation? (e.g. indoors, outdoors, lecture, participation, etc.)

4. What is the approximate length of the presentation? (e.g. 1.5 hours, 3 hours, 6 hours)

5. What materials do you anticipate will you need in your presentation? (e.g. photocopies, A/V equipment, school supplies, charts, etc.)

Please use additional space as needed.
